Donor Express Registration

Most donors choose to use our secure, password-protected service, Donor Express, to obtain additional services. You don't need to wait for quarterly statements – you may obtain daily-updated account information and access your gift history at any time. You gain the convenience of directing your grantmaking online and avoiding delays in the mail.

If you wish to register for Donor Express, please visit our website at www.daytonfoundation.org. Click on the “Access Your Fund or Account” button located at the bottom of the left side menu, then click “Need to Register as a User” on the Donor Express login page.

I prefer not to register for this free, online service at this time. Please mail a Grant Instruction Forms booklet to me for my Charitable Checking Account.

Account Statements

Indicate which of the following you would like to receive by mail. If you have registered for Donor Express (see previous section), please remember that you may access your account information online at any time.

Please send me:

- Annual account statements only
- Quarterly and annual account statements

Successor Advisor(s)/Final Grant Authorization

You may name one or more individuals to assume responsibility for managing your account in the event of your death. You may change this election at any time by contacting the Charitable Checking Account Service directly. Joint account advisors also are considered successor advisors.

Upon the passing of the last account advisor, or if you do not name a successor advisor, any remaining balance will go to The Dayton Foundation's Emerging Community Needs Fund for the Foundation to use where community need is greatest (unless arrangements are made for a named endowment fund).

I would like a member of The Dayton Foundation's Development staff to contact me about establishing a named endowment fund (optional).
